Makki's Statement on Impeachment

Amanda Makki released the following statement as the Democrats vote to advance with President Trump's impeachment, "Today the U.S. House of Representatives led by Nancy Pelosi and Charlie Crist, will vote to impeach President Trump, despite the fact the very articles being voted on include no crimes, no misdemeanors, and no offenses. With Charlie Crist's vote today, we see just another example of his loyalty to partisan politics, and that he is no centrist when he puts partisan impeachment ahead of the issues that matter to the people of Pinellas. We deserve a Congressperson who will fight for our jobs and security, not just doing the bidding of Nancy Pelosi and the Squad. The Senate should now work quickly to dismiss these unfounded and baseless claims against our President, so Congress can resume the business we elected them to do."
